

New Shores Church

MDO Pricing and Payments

Our MDO parents can choose one of two options for tuition payments. Tuition payments can be paid to the church office by either check, cash, money order, or credit card. Credit card payments can only be made online. If paying by check or money orders please put your child's name on the check to ensure that we process your payment to the correct account.

Monthly tuition payments

Monthly tuition payments are due on the 1st of every month from September to May. After the 5th of the month payments will be considered late and a \$10.00 late fee will be applied to the account. If payments are not made within one week, we will be contacting you to work out a payment plan. If payments are not made within two weeks, your child may be removed from the program. Once you have caught up on your balance, you will be eligible to re-enroll in the program if your child/children's spots are still available. It is very important that you communicate with the MDO director any financial difficulties so that we can avoid unnecessary actions.

Weekly Tuition Payments

Weekly tuition payments are due every Monday from September to May. After Wednesday of that week payments will be considered late and a \$10.00 late fee will be applied to the account. If payments are not made by the following Monday, your child may be removed from the program. Once you have caught up on your balance, you will be eligible to re-enroll in the program if your child/children's spots are still available. It is very important that you communicate with the MDO director any financial difficulties so that we can avoid unnecessary actions.

Tuition amounts are the same each month for a total of nine months each program year. There is no reduction of tuition payments when your child is sick, on vacation, gone from the program, or if the program is closed due to holidays, etc. The entire amount of fees and the nine months of tuition for a child may be paid at the beginning of the program year but is not subject to a discount.
